Special Design

ÜNOKS

STAINLESS SPECIALIST

Since 1993, With over three decades of expertise, ÜNOKS has been delivering refined, functional, and enduring galley, laundry and waste management systems to yacht owners, shipyards, and the maritime industry.

While our portfolio spans the design, manufacturing, and supply of ship galleys, aundries, industrial galley appliances, and stainless steel solutions, we are especially renowned for our bespoke yacht galley projects.

Blending craftsmanship with innovation, ÜNOKS transforms culinary spaces into elegant and efficient environments - tailored to meet the unique demands of life at sea.

WHAT WE OFFER

With our high-quality workmanship, meticulous production processes, and customer-oriented approach, we develop project-specific designs and offer personalized solutions tailored to user needs.

Our services include;

- Custom yacht galley design for unique dimensions,
- Production and installation of stainless steel galley equipment,
- Project-based solutions for shipyards and individual customers,
- Warranty of compliance with maritime standards and long-lasting performance.

At ÜNOKS, we deliver not only products, but also trust and satisfaction.
